Linda Tilgner : Tips for the Lazy Gardener before purchasing it in order to gage whether or not it would be worth my time, and all praised Tips for the Lazy Gardener:

3 of 3 people found the following review helpful. The best all around gardening book period!By M. HindsThis book has been a favorite of mine for many years. Whenever I meet someone who wants to garden and has limited time or space, I buy them a copy of The Lazy Gardener. The no nonsense approach and the easy to understand guidance make this a favorite! From companion plants to when to do everything this THE gardening book to get. I have purchased

this book over 20 times and will continue to purchase and give it as a gift for anyone who wants to grow an awesome garden without spending their whole life tending to their plants. 5 of 5 people found the following review helpful.
bottom line answers
By Farmer Jain
This book gives you answers to questions you didn't even know to ask. I've been gardening seriously for over 15 years, yet I find something I can use at every re-reading. Simple, to the point, and clearly written, this book is a must-have for everyone who plants a vegetable garden, or wants to. Some ideas also translate to flower gardening.
1 of 1 people found the following review helpful. you cannot lose, getting this book
By abigail britton
this is the seventh copy of this book that I've bought - I keep losing them to friends. highly recommended, seriously!
