**Jacques Bordaz : Tools of the Old and the New Stone Age (Dover books on anthropology, the American Indian)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Tools of the Old and the New Stone Age (Dover books on anthropology, the American Indian):

0 of 0 people found the following review helpful. This is a good book to help a modern flint knapper to broaden ...By AdamThis is a good book to help a modern flint knapper to broaden their knowledge of stone tools and understand a larger world history of the craft well beyond the isolationist belief of Native American flint knapping existence only. A novice understanding of basic anthropology may be required by the reader to benefit from the material fully.
