Jenny Hendy : Topiary: A practical guide to the art of clipping, training and shaping plants before purchasing it in order to gauge whether or not it would be worth my time, and all praised Topiary: A practical guide to the art of clipping, training and shaping plants:

An insight into the classic art with step-by-step designs and projects to follow, with 300 photographs.

"This will be a great inspiration for people...wishing to create form and shape with greenery." (Piet Oudolf) About the Author Jenny Hendy has a degree in Classical Botany and is a lecturer and TV guest presenter as well as running a thriving garden design consultancy. She is the author of many gardening books including the 2010 Garden Media Guild Award Practical Book of the Year, Kid's First Gardening Book.
