**Midge Keeble : Tottering In My Garden: A Gardener's Memoir** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tottering In My Garden: A Gardener's Memoir:

0 of 0 people found the following review helpful. Wonderful book, gardening classic, a good story, too. Very good condition and received quickly. By Susan This is my all-time favorite gardening book that I re-read and always enjoy. I

have given it as a gift to several other gardeners. It is the story of one gardener's life as she moved to various homes and established gardens, and then finally to the best home and established gardens there. It is funny, has lots of good stories, lots of practical advice, lots of new ways of making garden decisions, and overall a love of gardening. I bought this used since it seems to be currently out of print, and the book was in excellent condition and received quickly. 0 of 0 people found the following review helpful. It did contain some useful gardening advice. By bOOKWORM. Though I am an avid gardener, I found this only mildly interesting. This couple moved several times and must have been wealthy for they decorated and gardened, it seemed, without concern for money. It did contain some useful gardening advice, however, and I completed the book. 0 of 0 people found the following review helpful. Love it. By dv. Full of tidbits.

A 40 year gardening veteran, Midge Keeble's *Tottering in My Garden* spills over with practical advice and, at the same time, serves as delightful reading to anyone who has ever broken ground with a trowel and planted a seed.

[Has] a permanent spot on my 'Hall of Fame' garden bookshelf... Midge Ellis Keeble ... regales with her endless gardening woes and occasional triumphs as she moves through a range of properties and problems. (Niki Jabbour *The Daily News* (Halifax) 2007-12-27) { listing of great gardening books } For anyone who enjoys reading about the gardening triumphs and follies of fellow gardeners... classic... combining generous amounts of wit with very readable practical advice.
