The photography and interiors are lovely. Tracery is a juxtaposition of Susan Ferrier designs meets coastal living. I have just moved into a new home and have been trying to find inspiration - and I can without doubt utilize 80% of the ideas from this book. I think the book will appeal to many given the balance between colour and neutral spaces. If you love warmth and sophistication this book had all that and more.1 of 1 people found the following review helpful. Fabulous Decorating BookBy rkallamLoved this book. The photographs and design work are excellent. Looking at the photographs made me feel as if I were there. I enjoyed reading the text as it made me feel as if Paige and I were friends. I thought this was such an excellent book, I bought an additional one as a gift.0 of 0 people found the following review helpful. BoredBy Jenny GI found the decorating dull and boring with a lack of color. I also couldn't get into the text.

Tracery was founded by Paige Sumblin Schnell in 2004 on two principles: that all aspects of design are interconnected, and that the visions and needs of the client are paramount. Featuring 19 homes from across the

country, Tracery explores Schnells signature style and her talent for creating timeless and evocative interiors. Divided into five categories that define Schnells portfolio Enduring Style, Spirit of Place, Crafted with Care, Along the Waterfront, and In Harmony Tracery lavishly illustrates the welcoming aesthetic of her interiors that also reflect the taste and style of her clients. In addition to the beautiful spaces and gorgeous photography, Tracery offers inspiration for your own style and will appeal to anyone interested in design and the art of living well.

About the Author Paige Sumblin Schnell is the founder and owner of the design studio and shop known as Tracery in Rosemary Beach, Florida. Eleanor Lynn Nesmith is the author of Seaside Style and 30A Style. She is currently a contributing editor to Coastal Living, Cottage Style, and Traditional Home.
