Josef Feller : Traditional Ironwork Designs (Dover Pictorial Archive) before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditional Ironwork Designs (Dover Pictorial Archive):

0 of 0 people found the following review helpful. Absolutely love it.By CustomerThis is the best collection of ironwork designs that I've found. I absolutely love the designs in this book. I wish there were more of them. The book is very well done and worth the price.1 of 1 people found the following review helpful. Awesome, awesome, awesome.By AurielGreat work - jammed with ideas for my illustration work0 of 1 people found the following review helpful. Absolutely love this bookBy JLZ ROSEAbsolutely love this book. The cover drew me in and the contents is the best Ironwork that I have seen so far.!!

From an exceptional collection of the finest examples of German ironwork comes this rich source of royalty-free

images for artists and craftspeople. More than 270 illustrations depict a broad variety of magnificent ironworks from the city of Dsseldorf, with finely rendered examples of the craft ranging from elaborate castle gates to ornate weather vanes. Balustrades, screens, balcony railings, and other decorative ironworks abound in this handsome compilation. Derived from a rare, turn-of-the-century portfolio, these splendid designs offer uncommon glimpses of a rich array of motifs that are sure to inspire and delight designers, architecture enthusiasts, antique lovers, and devotees of vintage ironwork.
