Great for my sabbatical studiesBy Elizabeth PopielGreat for my sabbatical studies in Trompe L'oeil style. :-)

All trompe loeil painting uses light and shadow to create illusory forms and surfaces. This how-to manual introduces the techniques of painting with monochrome washes, a key element of trompe loeil painting. It gives step-by step instructions for a variety of grisaille effects, shows how to utilize such avant-garde materials as sheet steel and plastic foil, and offers a collection of classical and modern motifs to copy. 4-color illustrations
