Horace F. Clay, James C. Hubbard : Tropical Shrubs (The Hawai'i Garden, Vol 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tropical Shrubs (The Hawai'i Garden, Vol 2):

1 of 1 people found the following review helpful. Great bookBy flowerchildif you live in a tropical area this is a must---or of you have a greenhouse it helps.otherwise the book is lovely just for looking

The novice gardener will have an accurate, reliable and highly readable reference when a question arises about one of his plants, or if he should wonder if a specific plant would do well in a sunny corner of his yard. The detail of each of the 8 by 11 inch color photographs surprises the eyes.

"For the first time in Hawaii, the novice gardener will have an accurate, reliable and highly readable reference when a question arises about one of his plants, or if he should wonder if a specific plant would do well in a sunny corner of his yard The infinite detail of each of the 8-by-11-inch color photographs surprises the eyes."
