It would best for someone with limited knowledge of these vegetables.0 of 1 people found the following review helpful. wrong book mailed?By aburvaThe book arrived on time, but the hard copy I received was a different title: 'Tropical vegetables of Thailand' with the bit about Thailand in small print!!Utterly disappointed with this dealer for sending me the wrong book!

This pocket series provides an introduction to some of the more common natural phenomena that occur in Southeast Asia. The first four titles cover tropical flowers, fruits, vegetables, and reef fishes. Each title comprises an introduction, followed by an in-depth look at 50 to 60 species, each illustrated in full color.
