Homer L. Davidson : Troubleshooting and Repairing Power Tools before purchasing it in order to gauge whether or not it would be worth my time, and all praised Troubleshooting and Repairing Power Tools:

Step-by-step, illustrated procedures for 35 portable and stationary tools - both electric and battery operated. The implemented covered range from cordless screwdrivers, hand drills, sanders, grinders, and glue guns to routers, saws, drill presses, shapers, lathes, and electric mowers. All repair instructions are accompanied by clear, hand-on-tool photographs. A complete glossary of tools is included.
