Gordon McComb : Troubleshooting Repairing VCRs before purchasing it in order to gage whether or not it would be worth my time, and all praised Troubleshooting Repairing VCRs:

2 of 2 people found the following review helpful. VCR Repair bookBy Carolyn CassadaI bought this for my husband. He likes it well enough, butwishes it would go further; give more information.Got it quickly from 2 of 2 people found the following review helpful. Well writtenBy SueThis book has a lot of good information and illustrations that are very helpful.I am confident that I can fix my VCR now.

This edition has been revised to include material on new VCR developments such as self-cleaning heads, new head geometries and beltless VCRs. Also new is a section on VCR first aid for broken tapes, eaten tapes and jammed tapes.

About the AuthorGordon McComb (Oceanside, CA) is a freelance writer and author of Troubleshooting and Repairing VCRs, 3/e and Lasers, Ray Guns, and Light Cannons.
