**Amelia Ritner : Ugly Farm** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ugly Farm:

0 of 0 people found the following review helpful. A great litte book!By Pearl BatesI gave this litte book to a family with 4 children 14, 11, 6 and 2... Eldest reads to them and all enjoyed, from the peels of laughter.1 of 2 people found the following review helpful. Ugly Farm is a wonderfully written book that teaches kids that no matter what ...By Misty DeLaRosaUgly Farm is a wonderfully written book that teaches kids that no matter what every veggie is still equal. The real pictures make a nice change to the normal cartoon drawn look of most children books. We all enjoyed it! A must buy book for parents to read to their kids and even for a school to teach with.1 of 2 people found the following review helpful. Must Buy!By CustomerGreat real photos of funny looking veggies with a nice story line about treating all veggies the same even when they look really different. (A message that follows many aspects of life). Great story for kids and adults alike. A Must buy!

Fun, engaging and full of photos of REAL weird vegetables, this children's book will encourage young readers to pick their own vegetables and fruits and eat things that don't look like the grocery store's version of "normal."

About the AuthorAmelia Ritner spends her days writing, growing food, and playing with her children. She loves to cook and to encourage others to buy locally grown and locally produced foods.
