4 of 5 people found the following review helpful. Great BookBy KellaWe were building a gazebo and this book really came in handy. It turns out it's the ceiling that makes an incredible gazebo!1 of 2 people found the following review helpful. nice bookBy RTBook is good, has some good plans and ideas. We got some inspiration for our yard, but have found other books to be more helpful. Nice pictures.0 of 1 people found the following review helpful. Three StarsBy Michael R.Did not have the plans I was looking for

Ultimate Guide to Gazebos Other Outdoor Structures is the one book readers need to build an outdoor retreat that perfectly suits their yard and lifestyle. Readers will find thoroughly illustrated step-by-step instructions with complete materials lists for the most popular gazebos, pavilions, arbors, and more. Readers will be lead through the building techniques, as well as customizing options and using color.
