Also it's required for my upholstery class i'm taking.0 of 0 people found the following review helpful. its pretty outdated and i dont feel it has a good ...By gaynaredicki had to buy this for a class. its pretty outdated and i dont feel it has a good order. also the explanations are not great. for a better book, check out Spruce.3 of 3 people found the following review helpful. Great bookBy ShelleyI like this book because it has clear instructions and great pictures. The exercises after each chapter is so helpful

This heavily illustrated text includes descriptions of upholstery tools, equipment, and materials. It also provides step-

by-step procedures for many upholstery tasks, including channeling, tufting, stripping and installing covers, and producing cushions.
