Robert J. McDonald : Upholstery Repair and Restoration before purchasing it in order to gage whether or not it would be worth my time, and all praised Upholstery Repair and Restoration:

0 of 0 people found the following review helpful. Good descriptionsBy Carol MarkleinThis book describes older techniques that still work today. It takes a little longer to do the older way but the piece will last longer also. Quality shows.

This book is for anyone who has ever wanted to re-upholster an old chair or refurbish a special item of furniture. No prior knowledge is assumed. The beginner can follow the simple instructions and explanatory diagrams and be able to undertake both modern and traditional upholstery.
