**Igor Josifovic, Judith de Graaff : Urban Jungle: Living and Styling with Plants** before purchasing it in order to gage whether or not it would be worth my time, and all praised Urban Jungle: Living and Styling with Plants:

4 of 4 people found the following review helpful. Plant Lovers Coffee Table Book By Mike Really beautiful inspirational images, and great information as far as styling with plants goes! The book also feels and smells really good - haha weird but true! 4 of 4 people found the following review helpful. Absolutely amazing book. I read this whole book in a ... By elasereray Absolutely amazing book. I read this whole book in a couple of evenings. It was very inspiring, helpful, and beautiful. 0 of 0 people found the following review helpful. If you love indoor plants, this is a book to buy! By Michelle McGarry This is a beautiful book! I read a few pages at night while I'm trying to wind down from my day. The pictures are beautiful and the plant projects are inspiring. I'll keep this book forever and probably order another one for my plant loving daughter.

Provides all your DIY ideas for styling and tips on how to plantInspiration for seasoned plant lovers as well as beginners, providing the total package on the topic of living with plantsUrban Jungle: Living and Styling with Plants is a source of inspiration, ideas and a manual for all of those who want to bring more plants into their home.The book guides the reader through different "green" homes in five European countries and shows how beautiful, unique, creative and even artistic living with plants can be. More than that the reader finds endless ideas for styling from the bloggers of the "Urban Jungle Bloggers" community. To complete the topic of indoor plants the book offers easy help for taking care of the plants and DIY tips.

This book is filled with plant styling ideas and plant information for those who want to bring more green indoors. (Journal Sentinel)Besides smart styling ideas, readers will delight in numerous care tips as well as do-it-yourself instructions. (Texas Gardener's SEEDS)About the AuthorIgor Josifovic is a blogger, social-media Expert, loves plants and commutes between Munich and Paris. He shares his affection for the topics interior design, traveling and especially living with plants with his readers on his Happy Interior Blog and on the plant-community Urban Jungle Bloggers. Judith de Graaff is also a blogger, works as a graphic designer and loves plants as well. She lives with her husband and her cats in a former factory building near Paris. Her own blog JOELIX.com is her playground where style, colors, and plants meet. She is a steady companion for the plant- community Urban Jungle Bloggers and hopes to inspire others with her love for all things green.
