**Better Gardening Guides : Vegetable Gardening 101: How To Plant And Grow A Beautiful, Organic Vegetable Garden** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vegetable Gardening 101: How To Plant And Grow A Beautiful, Organic Vegetable Garden:

1 of 1 people found the following review helpful. DisappointingBy D. Slaterfor the money, I expected a book with more pages. It has only 14 pages of sub stance. I was looking for more of a book, not a pamphlet which is what I got. I

would not waste my money on this.0 of 0 people found the following review helpful. Expected moreBy DianeExpected more basics for the beginning gardener.0 of 0 people found the following review helpful. Great vegetables!By momtoangelGreat up to date book on gardening. It's helped so much how I plan my garden to deter pests and is working quite well!

Do You Want To Grow A Beautiful, Organic Vegetable Garden? Do you enjoy the outdoors while gardening? Would growing sustainable crops aid your lifestyle? Gardening is a very fun and interactive experience. Once you understand how gardening works, you will see that there really isnt much to it! Gardening is a fun way to get your children out of the house and keep them involved in something other than the television or technological devices. Gardening is a great way to save money by growing your own vegetables and its also a healthy alternative to purchasing vegetables at the grocery store that are filled with pesticides and unnecessary fertilizers. You will learn how to find a spot for your garden and how to choose your crops. Gardening is easy, fast and fun - not to mention immensely eco-friendly. You are planting life Simple Organic Vegetable Gardening If youre new to gardening, start out with a small garden and just a few vegetables. Starting out small will allow you to see what gardening is like and it will help you identify whether or not you have what it takes to be a gardener! Remember, gardening is a fun experience. Do not get in over your head with trying to grow too many plants. Start out slow and work your way into a bigger garden
