Cheri Y. Gay : Victorian Style: Classic Homes Of North America before purchasing it in order to gage whether or not it would be worth my time, and all praised Victorian Style: Classic Homes Of North America:

4 of 4 people found the following review helpful. CLASSIC ROOMS OF NORTH AMERICAN HOMESBy LIZZYIf you are interested in Victorian style, especially that of the United States,this book is a good start. The book is not very large, it is rather thin, but easy to carry around if considering ideas for your own home or apartment. The author gives you precise and interesting backgrounds on many rooms of the Victorian style and how they were used. You will also enjoy some of the exterior home photos of classic Victorian houses from California and other states. This book is also very well priced for all the valuable information you get.0 of 0 people found the following review helpful. Five StarsBy jeffrey m cosgroveThis book has provided wonderful ideas for my old house!0 of 0 people found the

following review helpful. Five StarsBy Julie NolanExcellent book, very good price, quick shipping! AAA

North American Victorian architecture and interior design are explored in detail in this essential look at an enduring style. Packed with spectacular original photographs and informative text, this lively book opens a door to the ornate decorative past. It examines the architecture of this eclectic period as it has survived and is interpreted today, and explains through myriad examples how Victorian style can be recreated in every room of the house.
