Elizabeth Helman Minchilli, Simon McBride : Villas on the Lakes: Orta, Maggiore, Como, Garda before purchasing it in order to gauge whether or not it would be worth my time, and all praised Villas on the Lakes: Orta, Maggiore, Como, Garda:

The jewellike lakes of northern Italy Orta, Maggiore, Como, and Gardahave drawn visitors for thousands of years, and their beauty has been the inspiration for countless artists, musicians, writers, and poets. While visitors still flock to experience the magic of the lakes, there are those who have chosen to sink deeper roots, building dreamlike villas along the waters edge. In 200 color photographs, Villas on the Lakes beautifully reveals some of the most remarkable of these. From crenellated castles to artists abodes, the reader will explore private homes dating from the late Renaissance to the 20th century. A splendid book for travelers, Italophiles, and anyone with a love of architecture and interior design. Elizabeth Helman Minchilli, an American now living in Italy, previously collaborated with

photographer Simon McBride in *Private Rome*, *Private Tuscany*, and *Restoring a Home in Italy*.
