By dawgfan This was a gift for my mom and she has enjoyed reading a little each night. Beautiful book!
0 of 0 people found the following review helpful. I always knew Vince Dooley was awesome!
By Joy As a ferocious Georgia Bulldog, I bought this book because I am such a fan of Vince Dooley. Even if you are not an avid gardener, this book is a great read. Loved all of the pictures. It was very informative on a variety of subjects, not just gardening, and it shows you are never too old to learn something new or start a new hobby. Go Georgia Bulldogs!!!
0 of 0 people found the following review helpful. For gardeners (love of football not necessary)
By John Walraven I heard about this book on football talk and immediately knew I wanted it. I'm not a huge UGA fan but I love the stories in it. And this book is so beautiful. I would recommend it to anyone who loves gardening.

The name Vince Dooley is synonymous with football in the South. More recently, the retired University of Georgia head football coach has gained renown as one of the region's finest gardeners. Following the lead of his mentors,

respected horticulturalists at the University of Georgia, Dooley has created a spectacular garden around the home that he and wife Barbara have lived in since 1964. The University of Georgia Department of Horticulture honored Dooley by naming a rose after him, along with the Dooley hydrangea, a unique variety discovered in Dooley's garden. Vince Dooley's Garden tells of the former coach's twenty-year full-time commitment to gardening. Steve Penley's exceptional paintings complement the story perfectly, along with more than 100 color photographs of Dooley's garden.

About the Author Vince Dooley was head football coach for the University of Georgia Bulldogs from 1964 to 1988 and continued as athletics director until 2004. His teams played in 20 bowl games, won six SEC championships, and won the national championship in 1980. He was inducted into the College Football Hall of Fame in 1994. He is also the author of the well-received memoir *Dooley: My 40 Years at Georgia*. He now lives in Athens, Georgia. Steve Penley is celebrated for his bold and vibrant paintings of historical and popular icons as well as landscapes. Two books, *Penley* and *The Reconstruction of America* have featured his illustrations. He won the Georgia Author of the Year Award in the specialty books category in 2008.
