Modeste Herwig : Visual Barrier and Garden Design: The Big Book of Ideas before purchasing it in order to gauge whether or not it would be worth my time, and all praised Visual Barrier and Garden Design: The Big Book of Ideas:

A breathtaking picture book with captivating ideas on the topic of visual barrier 'Visual Barrier and Garden Design' offers a uniquely wide offering of attractive examples of individualized visual barrier in the garden. Hedges, walls, gabions, and pergolas are the main characters in this handsomely illustrated book of ideas. The varied and unique mixture of classical and modern elements and of living and fixed materials gives an overview of the variety of design options and invites the reader to create new combinations. With easily understood practical tips from the professional 126 full-page, breathtakingly beautiful photos in extra large Format Unique printing Quality Many new ideas and suggestions

About the Author Text and Photography: Modeste Herwig Modeste Herwig studied Dutch, but couldn't resist the temptation to follow in the footsteps of her father and grandfather. Her love of plants and an interest in garden architecture were always there. She started her work in the model gardens of her father Rob Herwig (the renowned garden book author with over 6 million copies sold) and has given many seminars on garden design. She is a successful photographer and author of many garden books and works for internationally renowned magazines. She travels extensively in Holland and abroad, to capture garden plants and new design ideas on film. Modest Herwig lives in Soest in the Netherlands.
