**Penton Staff : Walk-Behind Lawn Mower Ed 5 (WALK BEHIND LAWN MOWER SERVICE MANUAL)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Walk-Behind Lawn Mower Ed 5 (WALK BEHIND LAWN MOWER SERVICE MANUAL):

4 of 4 people found the following review helpful. Great book, covers many older walk mowersBy J. RoseThis book is great to add to your collection if you do work on older walk behind mowers as a business or just as a hobby. It's pretty detailed and includes information about MANY brands, engines, transmissions, BBC units. 2 stroke and 4 stroke,

covers the Suzuki engines used by Toro, Lawn boys, Kawasaki, Briggs, Honda, Tecumseh, Clinton, Jacobsen, Kubota, Sachs, Craftsman, and that is just the specific engine brands. It covers many more actual brands of mowers. Copyrighted/published in 1997 so it's for older mowers mostly. 1 of 1 people found the following review helpful. Great gift. By Tontosdust2 this is great if you have this type of lawnmower--why let the repair man fix it--if you can cheaper--you'll know what to do with this book--what to check before the repairman gets to it. 0 of 0 people found the following review helpful. Five Stars. By Customer good book, good transaction

Service and maintenance procedures for walk behind mowers.
