**Steve Cory : Walks, Walls Patio Floors** before purchasing it in order to gage whether or not it would be worth my time, and all praised Walks, Walls Patio Floors:

With the newest edition of Sunset`s bestselling Walks, Walls Patio Floors, homeowners learn a lot more than how to pour a perfect concrete slab (though they learn the best way to do that, too.) Following clear instructions and step-by-step photography, they learn how to plan, design, and build their own outdoor paradise.
