**Lee Anne White : Water Garden Idea Book (Taunton Home Idea Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Water Garden Idea Book (Taunton Home Idea Books):

0 of 0 people found the following review helpful. Good idea bookBy John StrobelMark MullisLots of good photos.  
0 of 0 people found the following review helpful. Great PrimerBy JSIIIReally helpful primer to get you going.  
Information not too technical but comprehensive in terms of ideas and "how to".  
0 of 0 people found the following review helpful. Beautiful water garden ideasBy 70's LadyI love water gardens, always have. I have only had small gardens, as I don't have large areas to put them. This book gave me ideas to turn big gardens into small gardens.  
Beautiful pictures. Makes you calm to just look at the pictures.

Water gardening is making a big splash in today's landscapes. Called the fastest-growing part of the landscape industry today, the installation of water features in the landscape is a multi-billion dollar market. It's easy to see why. Splashing

fountains make hot days seem a bit cooler. Basins of water reflect the blue sky, puffy clouds, and colorful fall leaves. Naturalistic ponds and waterfalls attract birds and butterflies to backyards. And tiny tabletop fountains offer soothing sounds that drown out neighborhood noise. Water Garden Idea Book brings these ideas to life, providing more than 300 photos of all types of water features--with tips for design and placement so that they become striking focal points or soothing and subtle additions for any setting. From ponds and streams to pools and water stairs, fountains, containers, and bubbling urns, Water Garden Idea Book has it all. Special emphasis is given to siting all types of water features and how to install a water feature yourself. Extensive resource list is included.

About the Author Lee Anne White is the author of "Outdoor Living Idea Book, Backyard Idea Book, "and "Pool Idea Book," She is also a photographer specializing in landscape architecture and garden design. She has served as a contributing editor for "Fine Gardening" and Atlanta Magazine's "HOME," and is the recipient of several awards from the Garden Writers Association.
