**Peter Robinson : Water Gardens in a Weekend: Projects for One, Two or Three Weekends** before purchasing it in order to gage whether or not it would be worth my time, and all praised Water Gardens in a Weekend: Projects for One, Two or Three Weekends:

Whether your goal is a handsome cobble fountain or a brimming urn, use this guide for planning, setting up, and creating distinctive variations. Almost none of the projects call for any building skills, and you can make all of them from easy-to-find materials, sometimes as basic as a fountain kit. Install miniature water gardens in tubs; wall fountains; spray and column fountains; and raised and sunken pools.

About the Author Peter Robinson is a horticultural consultant, specialising in designing and installing water features, whose career extends over 35 years. His books include the RHS titles *Water Gardening and Ponds* and *Water Features*. A fellow of the Institute of Horticulture, he has lectured across the world.
