Steve Solomon : Water-Wise Vegetables: For the Maritime Northwest Gardener (Cascadia Gardening) before purchasing it in order to gage whether or not it would be worth my time, and all praised Water-Wise Vegetables: For the Maritime Northwest Gardener (Cascadia Gardening):

Water-Wise Vegetables shows how to grow a lush, productive vegetable garden with minimal watering. Solomon includes information on irrigation, mulching, site and seed selection, and explanations of how plants use water and how to prepare soil for efficient water usage. Whether you have five acres or a postage-stamp garden, the material presented here is guaranteed to reduce your water bill while increasing your harvest.
