Dominic Bradbury : Waterside Modern before purchasing it in order to gage whether or not it would be worth my time, and all praised Waterside Modern:

0 of 2 people found the following review helpful. Beautiful coffee table book.By Randal WalkerBeautiful coffee table book.

From river sun decks to beachfront pools, a dream tour of great contemporary homes around the world that make exquisite use of their proximity to water The most luxurious homes in the world incorporate elements of the surrounding environment into their design, and waterside homes bespeak a particular kind of luxury. Waterside Modern is a dream tour through some of the most beautiful modern homes in the world, all set against spectacular views of lakes, rivers, and oceans. From California to Long Island, Sydney to Singapore, South America to Europe and the Mediterraneansome of the most beautiful countries in the world provide the backdrop for twenty-five architect-designed single-family houses that make the most of their desirable settings. By maximizing the link between indoor and outdoor space, using local materials, and emphasizing spectacular views, each structure celebrates an outdoor lifestyle while protecting its inhabitants from the elements. Loosely grouped into three sectionsbeach house, ocean belvedere, waterfront villathis beautifully photographed volume will inspire architects and interior designers, while

serving as a rich visual escape for those who love fine homes. 400+ illustrations
