**Lavon H. La Fresnaye : Weekend Gardener Organizer, A Three Year Planner** before purchasing it in order to gage whether or not it would be worth my time, and all praised Weekend Gardener Organizer, A Three Year Planner:

3 of 3 people found the following review helpful. Best Garden Organizer I have found so farBy PamysThis is a neat little book. I had a little trouble at first getting familiar with it. The only thing I would change in the book, after getting familiar with it - is having it a ring binder. the pages where you can add pictures and articles isn't adequate, in my viewpoint. other than that, it is a good Gardener Organizer. Has monthly garden tasks. I would have liked more space

to write notes; and to record what I accomplished during the day or weekend. But that is just me; some people will certainly find area plenty to make notes.

Learn what your garden is teaching you by using Weekend Gardener Organizer. Watch your knowledge grow as your garden becomes more bountiful and beautiful. Record how your garden is growing in the spacious three-year-weekly journal. Discover ways to design and grow a vegetable garden, flower gardens and container gardens. Learn to organize your limited gardening time with timesaving techniques. Review monthly tips and organize plant records, notes and ideas. Remember what garden techniques worked and keep all your garden records in one place.

If you like to keep garden records but can't seem to find the information when you need it, the Weekend Gardener Organizer could be for you. La Fresnaye, a master gardener, packs a lot in her 192 page planner. --The OregonianHer book helps readers plan their gardens and track them over the seasons and through the years. She gives suggestions for plantings, according to seasons and zones... --Country Pleasures MagazineAbout the AuthorLavon H. La Fresnaye, author and teacher, is an experienced weekend gardener.
