**Henry Hopp : What Every Gardener Should Know About Earthworms: Storey's Country Wisdom Bulletin A-21 (Storey Country Wisdom Bulletin)** before purchasing it in order to gage whether or not it would be worth my time, and all praised What Every Gardener Should Know About Earthworms: Storey's Country Wisdom Bulletin A-21

(Storey Country Wisdom Bulletin):

0 of 0 people found the following review helpful. A Decent BookBy CustomerThis is a good book for gardeners who want to increase the earthworm population in their garden. There is not much information on vermicomposting, which is what I was interested in mainly.2 of 2 people found the following review helpful. Great bookBy D BeeckThis is a very short book with some great information to share. I purchased this because I'm a relatively new gardener and I am growing my vegetables organically. It has changed my whole perspective on earthworms. Because of this book I understand how beneficial earthworm are to a gardem and our ecosystem. I have much more respect for earthworms because of this short book.1 of 1 people found the following review helpful. Five StarsBy Wm A. HendricksonMy impression is in the title. What every gardener should know.
