Shauna Evans : What Goes With What for Baby Rooms: Decorating Made Easy before purchasing it in order to gage whether or not it would be worth my time, and all praised What Goes With What for Baby Rooms: Decorating Made Easy:

What Goes With What for Baby Rooms is a decorating primer for parents who want to create functional, beautiful, safe, and nurturing spaces for their babies to grow up in. The book guides parents through the fundamentals of planning, budgeting, and implementing a design scheme that reflects their personal styles---formal, semiformal, or formal---with the style quiz at the beginning of the book. Then chapters cover information on color, furniture, fabric, bedding, walls, windows, flooring, accessories, nesting, organizing, and aromatherapy. WGWW for Baby Rooms takes a realistic, common sense, and playful approach to what to creating a safe, nurturing, and attractive space---on a budget.

Pick up a copy of the Spring 2005 issue of "Country Decorating Ideas." On pages 16 through 18, you will see an excerpt from Shauna's book about using themes to decorate baby rooms! (Country Decorating Ideas)Very Good (Todays Books)Here are some expert tips for redecorating a nursery for a second baby: A SENSE OF STYLE: You want your home to reflect your personal style, says Shauna Evans, author of What Goes With What for Baby Rooms. Evans suggests looking through magazines to determine what you don't like, then, when shopping, you'll gravitate toward the things you do like.COLOR: If you want to refresh the whole room without going to too much expense, paint every wall, suggests Evans. It's an inexpensive way to change the feel and look of the entire room..ACCESSORIES: A rug can add a whole new look to a room, says Evans. She also suggests looking for inexpensive wall art, adding photographs of the baby and hanging letters to spell out baby's name or a favorite family saying. (Michelle Brooks, Atlanta Journal-Constitution)Shauna Evans' new paperback book, 'What Goes With What for Baby Rooms: Decorating Made Easy,' is geared toward helping readers create a nursery that suits their taste, their house and their budget. The usual design book suspects are here, including solid, practical advice about window treatments, rugs, lighting and accessories. But Evans also delves into detail about choosing the right color schemes and offers tips for managing toys and clothes. (Elizabeth Betts Hickman, The Tennessean)The book takes a realistic, common sense, and playful approach to creating a safe, nurturing, and attractive space on a budget and includes a resource guide at the end. (Big Apple Parent)Planning for a new baby's arrival can be a joyful time but stressful too, with a busy schedule of doctor's visits, parenting classes and planning for the baby's future. According to Shauna Evans, a designer and marketer of children's clothing and author of What Goes With What for Baby Rooms: Decorating Made Easy, taking a quiz will help you determine your personal style, which is important in putting together a functional, nurturing space for your baby. (Karen Martin, Arkansas Democrat-Gazette)From color to furniture to organizing, the book guides parents through the fundamentals of planning, budgeting, and implementing a design scheme that reflects their personal styles. (Central Penn Family)Planning for a new babys arrival can be a joyful time, but it is almost always stressful with a busy schedule of doctors visits, parenting classes and planning for the babys future. In What Goes With What for Baby Rooms: Decorating Made Easy, Shauna Evans, a well-known designer and marketer of childrens clothing, bedding and accessories, helps new and experienced parents determine their own decorating styles and make wonderful rooms to surround their babies with comfort as they grow up. (Ohio Valley Family (Wheeling, WV))'What Goes With What for Baby Rooms' is a decorating primer for parents who want to create functional, beautiful, safe, and nurturing spaces for their babies to grow up. (Staten Island Parent)About the AuthorWhen Shauna Evans became a stay-at-home mother after the birth of her first child, she began to design and create childrens clothing, accessories, bedding and room dcor to reflect her personal style. This hobby soon turned into a small business when she sold her merchandise to home garden and childrens shops. Shauna is a registered nurse and a photographer. She lives in Provo, Utah with her husband and four children.
