Brett Furman : What You Really Need To Know About Selling Your House before purchasing it in order to gage whether or not it would be worth my time, and all praised What You Really Need To Know About Selling Your House:

0 of 0 people found the following review helpful. Why You Should List With Brett FurmanBy rampageous_cussThis is essentially a promotional book for the author's real estate business. There are a few tips for selling your home, but it's mostly plugging his firm and explaining why he does things the way he does.0 of 0 people found the following

review helpful. Must read before listing your home for sale! By Michael Thompson I recently attended one of Brett's live Sellers Seminars. Seeing Brett live was a great way to reinforce the solid content, and practical advice, found in each chapter of this book. This is a must read for anyone who's looking to maximize their profit on the sale of their largest "asset" - their home.

Every homeowner thinking about selling needs to read *What You Really Need to Know about Selling Your House* cover to cover before taking a step towards the real estate market. With Brett Furman's book, you'll gain access to some of the secrets of his proprietary system of marketing and successfully selling real estate which include: Which improvements are the right ones to make before listing Why hitting the market with the right listing price is so important How to prepare your home in advance to ensure the highest possible sale price As a homeowner moving towards putting your house up for sale, there is no more valuable volume out there. Brett's 28 years of experience in real estate and his innovative approach to home-selling make this book a veritable goldmine of strategies, tips, and insights that puts money in your pocket when the time comes to list your home.

About the Author While there are hundreds of real estate agents local to the counties of Chester, Montgomery, Delaware, Bucks Philadelphia, Brett Furman remains one of the areas very top agents. Brett's innovative approach to real estate involves extensive marketing programs, the use of advanced technology and social media outreach, in-depth research and analysis, and many more marketing methodologies not explored or utilized by other agents. Brett gives Home Seller Workshops and other educational presentations numerous times a year, and recently penned his book, *What You Really Need to Know about Selling Your House*. All of this combines to make Brett stand out as an agent of skill, experience, and distinction. Brett's experience, business sense, and dedication to his field are just a few reasons for his level of success. His down-to-earth nature is just as responsible for his excellent reputation in real estate. Brett's clients will tell you that he is easy to reach, easy to talk to, and when you do, he's really listening, not just trying to close a deal. Yet, when the time comes to close a deal on your behalf, Brett is unflinchingly shrewd. Brett is an expert negotiator without being pushy. He's an experienced guide in all aspects of every kind of real estate. But most importantly, Brett works in the true spirit of the word, agent, meaning that he works for you, with you, and with your best interests at heart. Today, Brett, along with his brother Scott, are the brokers and co-owners of RE/Max Classic in St. Davids, Pennsylvania. With a capable staff and an office full of new and experienced agents, Brett's life and work in real estate continue to grow. Brett applies his revolutionizing ideas and his expertise to every aspect of his business, and continually seeks out new and better ways to accomplish his goals, and the goals of his clients. When not at work in real estate, Brett enjoys tennis, cars, computers, and above all, spending time with his wife and two daughters and beloved West Highland White Terrier, Tobi.
