0 of 0 people found the following review helpful. very cute By teeni300 this would be a good item if you have a young jr brides maid in your wedding party. the book is very kids like, but good for younger jr brides maid

As well as including plenty of useful information about being a little bridesmaid or flower girl and preparing for the wedding, the interactive sections have room for little attendants to record all the exciting details of the big day in both words and pictures. There is also ample space for favorite photographs and pictures, and even two handy pockets to hold precious keepsakes and mementoes.
