Barbara C. Stevens, Nancy Conner : Where on Earth: A Guide to Specialty Nurseries and Other Resources for California Gardeners before purchasing it in order to gage whether or not it would be worth my time, and all praised Where on Earth: A Guide to Specialty Nurseries and Other Resources for California Gardeners:

8 of 9 people found the following review helpful. Attention Plant Addicts!By A CustomerAs a horticulturist who is always looking for the unusual and hard to find plant, I found this guide to be an treasure. The authors divide the

nurseries down by geographical sections, and then break each nursery down into whether they are wholesale/retail/mail order, plant specialties, brief history/description, how to get there and general information. Also covered are Horticultural Attractions and a list of plant societies. If you're a plant nut like me, make sure you add this book to your collection. 13 of 13 people found the following review helpful. a Must Have By Kathleen If you have ever tried to find THE nursery with the best selection for a particular plant this is the book for you. Plus you discover all the nurseries that are in your area that you probably did not know existed.

Now in its fourth edition--thoroughly revised, updated, and expanded-- this essential guide for California gardeners and landscape professionals offers descriptions of more than 300 specialty wholesale and retail nurseries throughout the state, along with listings of horticultural attractions, plant societies and groups, colleges and extension programs, and a host of other sources for gardening and horticultural information.

"An indispensable guide...Deserves a permanent spot in the glove compartment of your car." -- Santa Cruz County Sentinel
"Pocket-sized, concise, and conveniently arranged, this handy guide...rewards the acquisitive traveler as no ordinary garden guide can." -- Pacific Horticulture
A source for nearly every horticultural dream. -- San Francisco Chronicle
An indispensable guide.... Deserves a permanent spot in the glove compartment of your car. -- Santa Cruz County Sentinel
Pocket-sized, concise, and conveniently arranged, this handy guide . . . rewards the acquisitive traveler as no ordinary garden guide can. -- Pacific Horticulture
