Bo Niles : White by Design before purchasing it in order to gauge whether or not it would be worth my time, and all praised White by Design:

0 of 0 people found the following review helpful. Beautiful, timeless interior design!By Dancing DoveI lost my copy of this book years ago, so buying another copy for my library was like being reunited with an old friend. The photographs reveal clean, soothing, liveable interiors in many different design styles.0 of 0 people found the following review helpful. One StarBy Designer1 very disappointed in this book-- it is all minimalist and modern-- not a good idea in it--0 of 0 people found the following review helpful. White by designBy GigiGreat book in good condition. I was proud to give it as a gift. The book is wonderful for the designer in your life.

A compilation of numerous photographs illustrating the use of white in interior and exterior design is augmented by an illustrated catalog of almost four hundred white products along with the companies that produce them
