**From Frances Lincoln Publishers Ltd : Why Every Man Needs a Tractor: And Other Revelations in the Garden** before purchasing it in order to gage whether or not it would be worth my time, and all praised Why Every Man Needs a Tractor: And Other Revelations in the Garden:

A collection of sparkling and unpredictable essays ranging across the whole world of gardening, and sometimes slightly beyond, from the acclaimed author of *The Transplanted Gardener* and *The Potting Shed Papers*. Tales of great gardeners and heroic plant hunters share space with more personal revelations - exactly why every man needs a tractor, how to deal with woodchucks or a relentless west wind, the challenge of a knotweed infestation. Botanical frauds and heroic plant hunters, splendid gardens past and present, stirring discoveries and hopeless failures - all these and more fall beneath the writer's amused and endlessly curious eye. Funny, informative and dependably entertaining, Elliott once again demonstrates why readers from Bill Bryson to Alan Titchmarsh have so enjoyed and praised his work.

Entertaining and knowledgeable essays.
