**Richard Mansfield, Evangelos Petroustos : Windows 95 Power Toolkit: Cutting-Edge Tools Techniques for Programmers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Windows 95 Power Toolkit: Cutting-Edge Tools Techniques for Programmers:

Features a thorough discussion of Registry and customization, so that users can make Windows 95 work their way. Provides techniques that address nearly every aspect of the operating system from hard-disk compression to memory usage.
