Editors of Fine Homebuilding : Windows Doors: Installing, Repairing, Replacing (For Pros By Pros) before purchasing it in order to gage whether or not it would be worth my time, and all praised Windows Doors: Installing, Repairing, Replacing (For Pros By Pros):

4 of 4 people found the following review helpful. Great reference.By R. G. ThomasGood informative book. Basics for a newby, but enough detail and advanced techniques to keep an old hand interested.0 of 0 people found the following review helpful. Five StarsBy AGAOEXCELLENT0 of 0 people found the following review helpful. Four StarsBy Margit Groesslergood resource. Will see how good it is once I start building my house.

Windows and Doors contains the best field-tested residential construction and remodeling information available for professional builders, remodelers, and homeowners who want real pro advice. Inside these covers is the information you need to spec, install, replace, or repair windows and doors. From simple jobs to more complicated ones, this book

from the editors of Fine Homebuilding magazine covers a range of window and door projects, and gives you the technical help you need for a variety of projects. In this book we've collected 21 articles from past issues of Fine Homebuilding magazine that deal with windows and doors. Written by builders, these articles represent hard-won knowledge and years of experience. Because they're often called on to remodel homes, builders see first-hand what has and hasn't worked. You would be hard pressed to find better advice than what is collected here.
