Weizhi Chen : Within Modern Offices before purchasing it in order to gage whether or not it would be worth my time, and all praised Within Modern Offices:

Within Modern Offices is a collection of some of the most strikingly designed offices, each with its own distinctive character and impeccable attention to detail. Rejecting cookie-cutter cubicles and workspaces, the featured designers rise to the challenge of reworking space, material and colour to create versatile, dynamic and inspiring environments that project the companys image and corporate identity.Lush, detailed photography taken from stunning angles, both conventional and creative. Filled with page after page of hip and stylish ideas that combine contemporary design language with chic contemporary aesthetics, this volume will delight and inspire architects, designers, the design-

savvy public, and companies seeking to create workspaces that are a little less ordinary.
