Serena Narain : Within Spas before purchasing it in order to gage whether or not it would be worth my time, and all praised Within Spas:

Within Spas travels across the world to gather some of the most outstanding spas. Each with its own distinctive character and impeccable attention to detail, the spas call out to even the most jaded patrons. Filled with page after page of hip and stylish ideas that combine contemporary design language with chic cosmopolitan aesthetics, this volume will delight and inspire architects, designers, spa operators and jetsetters as well as the design-savvy public. With lush, detailed photographs taken from stunning angles, both conventional and creative, Within Spas showcases

spa design that is simply irresistible to the senses.
