Kerrie Hanafin : Women's Home DIY: Fix-it and Finish-it Manual (Owners' Workshop Manual) before purchasing it in order to gage whether or not it would be worth my time, and all praised Women's Home DIY: Fix-it and Finish-it Manual (Owners' Workshop Manual):

Presented in a contemporary, fashionable style (not too much pink, but certainly a bit) and written in a chatty way (with the occasional "man" joke), the Women's Home DIY Manual will give all the girls the information they need for general household DIY. In true Haynes style, there is clear step-by-step photography and easy-to-follow instructions, with difficulty ratings for each project.

About the Author Kerrie Hanafin is Managing Director of "A Woman's Touch", a building company that employs 20 staff, 17 of whom are women.
