Ron Hildebrand : Wood Projects for the Garden (Ortho library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wood Projects for the Garden (Ortho library):

Clear, detailed instructions, along with color photographs and illustrations, show how to make 67 projects, from planter boxes to umbrella-shaded picnic tables. The ideas and projects in this book can enhance the appearance of your home, expand the uses of your garden, and give you the satisfaction of making something yourself.
