Pictures make it easy to follow By James I am rubbish at anything DIY so this book is great for me because it has so many pictures that even someone with my skills can follow it. The ipod stand caught my eyes so I will try that first, very good read in an easy to follow format. Four stars 3 of 3 people found the following review helpful. Woodwork made easy! By Olivia Leaf This book just made me want to build my own picnic table! The author does a great job of explaining step by step process to all kind of projects from making a simple pipe to a portable closet. This is a great read and Do it Yourself guide. 1 of 1 people found the following review helpful. WOW! So many great ideas with terrific plans to follow! By Anton S. Wojcik Woodworking may come easy to some people, but, not to everyone! This book helps that kind of person succeed on their first try. Thanks for the great advice, comments, photos, and illustrations!

Woodworking, which also includes wood carving, can be regarded as an activity or either a skill of making items by using wood and it. Many people do little woodwork, but it may be surprising for you if you get to know that there are diverse skills which are falling under the woodworking umbrella. There is an amazing variety of woodworking disciplines beyond the basic home repair and carpentry. Many items can be made by using wood. This book will be useful for anyone starting or re-entering into the woodworking hobby. There are lots of reasons to begin woodworking

for the people who are thinking to get into it.
