Terry Meany : Working Windows: A Guide To The Repair And Restoration Of Wood Windows before purchasing it in order to gage whether or not it would be worth my time, and all praised Working Windows: A Guide To The Repair And Restoration Of Wood Windows:

Older homes are gaining in value, especially when the original craftsman details are well maintained, such as antique lead panes and wood windows. And refinishing beautiful old windows happens to be one do-it-yourself project that a home owner can actually accomplish without professional assistance. This is the only completely illustrated guide to repairing and refinishing every part of an old window, from weather stripping, pulleys, sashes, hopper vents, and

casings to old hinges, paint, and glass. Completely updated with a new section on cleaning windows.
