Stephen A. Kliment : Writing for Design Professionals: A Guide to Writing Successful Proposals, Letters, Brochures, Portfolios, Reports, Presentations, and Job ... i (Norton Book for Architects and Designers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Writing for Design Professionals: A Guide to Writing Successful Proposals, Letters, Brochures, Portfolios, Reports, Presentations, and Job ... i (Norton Book for Architects and Designers):

0 of 0 people found the following review helpful. Five StarsBy tingjun caione of my textbook., it reALLY HELPFUL1 of 1 people found the following review helpful. Helpful ResourceBy R.M.F.The content of this book is useful and

should come in handy to any design professional at any point of their career. I've docked this book 2 stars due to redundancy and the fact that it is very difficult to read due to poor typesetting (margins are only about 1/4" from the spine). 0 of 0 people found the following review helpful. Three Stars By Ivette Cancel Puente Good product.

Written and oral communication plays a vital role in advancing design professionals' careers. Stephen Klimont spells out the various forms of writing that professionals need, including marketing and promotional materials; reports and project communications with clients, staff, consultants and public agencies; and writing for publication in print and electronic formats as well as oral presentations. He presents the principles of clear writing, illustrated by realistic examples and exercises drawn from the world of design practice.

A commonsense guide to clarity...Who should buy this book? The easy, if unrealistic answer, is 'everybody.' -- ArchitectureBoston, Elizabeth S. Padjen A no-nonsense, step-by-step primer...Whether you're a seasoned professional or architecture student...you'll enjoy and learn from Writing for Design Professionals. -- AI Architect, Stephanie Stubbs An incredibly useful guide. -- RIBA Journal Easy to read, practical advice. -- Blacklines, Elizabeth Geary-Archer Klimont offers guidance that's accessible, logical, and easy to follow. -- Architectural Record, Kira Gould Sound advice about the many sorts of writing designers need to master. -- Interior Design, Stanley Abercrombie Takes a much-needed skewer to jargon. -- Interiors, Eve M. Kahn This useful book is unerring in its advice to keep all communications materials to the point. -- Princeton Alumni Weekly, Larry O'Brien Tips, guidelines, and examples make this book the equivalent of Cliffs Notes for the working designer. -- Critique About the Author Stephen A. Klimont, FAIA, was editor-in-chief of Architectural Record. He lives in New York City.
