Chehalem Press : Year-Round Greenhouse Planner before purchasing it in order to gage whether or not it would be worth my time, and all praised Year-Round Greenhouse Planner:

This Greenhouse planner will help make your garden a success! Includes planning charts to help organize planting times, purchases, and transplant dates, as well as weather logs, crop logs, and space for notes. Includes a full 12 months of charts, and can be started at any time during the year. Designed for the home gardener, this book makes a great gift!
