From Tide-Mark Press : Yoga Journal 2010 Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised Yoga Journal 2010 Calendar:

1 of 5 people found the following review helpful. Loved both Calendars - One arrived 3 weeks late!By N. MurphyI ordered Nov 15,2009 a "Yoga Girl 2010 Calendar" and the "Yoga Journal 2010 Calendar" along with a few paperback books. The books and the "Yoga Girl Calendar" arrived a week later. The quality of the Calendar is excellent and I am very satisfied. I had planned on ordering 3 copies of the 2010 "The Yoga Calendar" by Blaine Michioka but none were produced for 2010 unlike previous years. Hopefully there will be a 2011 edition. The other Calendar "Yoga Journal 2010" shipped by itself with an estimated shipping date of Nov 23,2009. This was shipped from New Jersey to New York and it took over 3 weeks to arrive. Since it came before Jan 1,2010 I am still satisfied but not with the shipping and tracking process. Every time I checked the package status it said shipped and delivery expected Nov 23 for the

entire 3 weeks. The quality of both calendars are wonderful I am not sure which I like better.
