3 of 3 people found the following review helpful. Good bookBy Andrew The Review PrinceThis is written well and

it's good for a person just getting into the bonsai world. The only downside of the book is a lot of the same information can be found online. Also this book seems a little short, which might be good or bad. I don't think you could go wrong with this book. 0 of 0 people found the following review helpful. still good quality and useful. By Paige H. The book was much shorter than I expected, however, still good quality and useful. 0 of 0 people found the following review helpful. Start to Finish! By Brianna Denise Krooberg I am really excited in the outcome of my first bonsai. I really love growing bonsai. This is one of the reasons I grab the book. This is one of my stress relievers and it is very fulfilling when you can grow one. Patience and perseverance are greatly required. Thanks to you Louise Harvey for sharing the guide. The common Bonsai Mistakes written on the book is a great help because many really are doing it. From beginning to end guide!
