John Malaspina Sr. : Your Security Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Security Guide:

1 of 1 people found the following review helpful. A Security Guide EssentialBy tmm85This book is a must-have for anyone interested in brushing up on their knowledge of security. Whether you are a business owner wanting to secure your environment protect your employees or just a parent wanting to protect your family, this book will give you the advice knowledge on how to do so! You do not have to spend a fortune to protect what's important to you!

The objective of this book is to acquaint you with the Security Field. The purpose of this material is to provide you with a reference, offering a basic overview of the field, without elaborating on specific areas. Regardless of your needs, I am hopeful that my book will provide you a quick, easy to read reference that can aid you whether you are a homeowner, administrator, business owner or apprentice.
