

collapsing and it also teaches how to fight inflation through frugality. At the same time it shows you how to build your own house, how to produce your own food, etc. It gives you thousands of great ideas on how to live very comfortably with very little or no money at all. This book is good for the homeless, the very poor, the unemployed, the low income person, the average income person. I highly recommended it. Best book I have ever read. Anything and everything you might want to know about saving money, or living completely off grid it is here. The author even lists places you can get more information than is even in his book.0 of 1 people found the following review helpful. Two StarsBy Lona Ann ParkerMore hypothetical than realistic.

Zero Cost Living (ZCL) is a guide to living with extreme frugality, making ordinary frugality seem extravagant. It is a general guide, for details ZCL helps the reader find hundreds of useful books and web sites. ZCL discusses dozens of topics including living homeless, foraging for food and materials, living in a car, seasteading, homesteading, solar greenhouses, solar houses and farms, healthy diets, owner built cars, cabinscooters, cities for bikes, philosophy, history and economics of thrift and much more.
